Indeed having your portfolio on-line is an expectation for makeup artists today. It allows you to showcase all your work in one place and you can forward links to potential employers and makeup jobs you're applying for. Initially you can show off you work on-line on a Facebook or Instagram page (or ideally both), but eventually you will want to have your portfolio accessible on your website. In the previous installment of STWBAPA I talked about building a portfolio as part of becoming a professional makeup artist and I made mention of the difference between an off the shelf (or off the rack) portfolio book and a custom portfolio book. However I didn't really go

into it really and several folks wrote in asking for clarification. Here you go: Off The Shelf - stock photo
